Student life

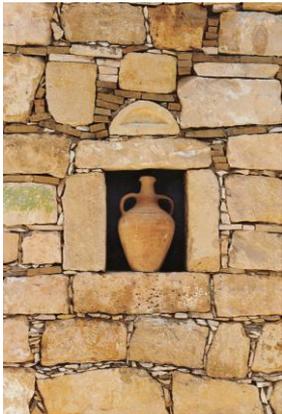

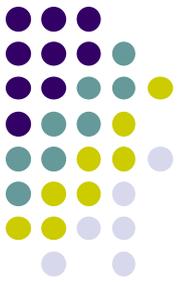

Summer passed by since then, we went for holidays and spent a lot of time at our beaches to cool down from the really hot temperatures

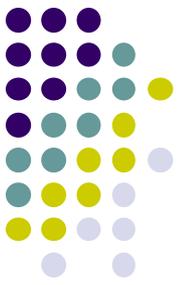

Finally, we are really looking forward to joining us in Limassol, a town rich in tradition cultural events and endless fun

You will also discover our tradition and culture

**You will visit museums and archaeological sites,
explore Limassol and nearby places, find out
our culture and of course enjoy our traditional
Cyprus cuisine**

**So, let us teach you several Art techniques,
share our thoughts and ideas, compare
methods and skills, learn about our culture and
all these to your students**
